

The Consumer Voice Project.....

..... A Catalyst For Change

Our Mandate

The organisation aims to implement a sustainable mechanism to enable ongoing meaningful participation by consumers and carers in mental health services planning, delivery, monitoring and evaluation processes at national, state and local levels.

Our Mission

A united voice that actively promotes through advocacy, co-operation and education, the health and well being of all Queenslanders.

Ensuring consumers and carers participation in relevant committees, networks and advisory groups.

Provision of education and skill development to government and other organisations.

Support and assist the development of new and existing consumer and carer groups

The organisation is driven by the membership to achieve best possible outcomes for consumers and carers

Ordinary members have

- Experienced mental health issues. (consumer)
- Currently or previously supported a consumer. (carer)
- A membership comprised of consumers and carers. (organisation or group)

Associate members are individuals or organisations who accept the objects of this organisation.

Introduction of the Inaugural Management Committee
